

Homemade Play Dough

Ingredients:

3 cup flour

1 ½ cup salt

6 teaspoons cream of tartar

3 cup water

4 ½ Tablespoons oil

3 teaspoons flavoring (if wanted)

30 drops food coloring (or enough to get the color desired).

Directions:

Mix all ingredients. (If you dissolve the salt in the water first the play dough will have a very smooth texture). Cook until a ball forms. Knead until smooth. (I usually wait until I am kneading to add food coloring.)
