

Homemade Playdough

Ingredients:

3 cups flour

1 ½ cups salt

6 teaspoons cream of tartar

3 cups water

4 ½ Tablespoons vegetable oil

(you can add flavoring -3 teaspoons- if desired)

Add food coloring drop by drop until you reach color desired. I add the food coloring after I cook the play dough and mix it into the dough in the kneading step.

1. Mix all ingredients in heavy saucepan.
2. Cook over medium heat, stirring constantly, until it forms a ball
3. Take from heat. As soon as you can handle the dough knead it until smooth.
